

Can you help?

The Balally Residents Association Committee meet once a month for 10 months of the year in St, Olaf's National School at 8pm on the second Monday of each month.

Participation in the Committee is voluntary and is open to all residents – we would really love to see some new faces on the Committee so if you can spare an hour and would like to get involved on any of our activities please come along or contact your Association representative.

Our AGM takes place each October and is a great opportunity for residents to meet your Committee over a cup of tea and discuss any issues or concerns you may have.

Please visit our website for details of current committee members – www.balally.com/about/committee.

About Your Residents Association

Balally Residents Association was founded over 50 years ago in 1964 to represent the interests of residents in Balally Estate and Sandyford Road.

The Association now represents over 500 households and works hard to ensure all residents enjoy the benefits of having a strong voice to raise local issues at council level, and strives to develop and maintain a strong community spirit in our neighborhood.

In 2019, Balally Residents Association won Best Housing Estate 500+ dwellings at the 2019 Dun Laoghaire-Rathdown Tidy Districts Competition. The Award is a huge endorsement of our collective efforts and hard work and is a wonderful testament to the incredible community spirit in our estate.

Working for You

Your Residents Association works tirelessly on your behalf throughout the year to make our community a great, safe, clean and fun place to live!

What we do

- Ensure our neighbourhood is maintained to the highest standard. We manage all communal grass cutting, weeding, edging and planting and run the annual Clean-Up Week, Litter Pick and anti-graffiti activity. We work with the Council to ensure roads and paths are maintained and that trees are replaced.
- Present your concerns to County Council and local representatives including traffic / parking and planning concerns.
- Manage the Community Alert programme
- Keep you up-dated on all activities via our AGM, website, Facebook page, regular flyers and newsletters
- Manage community social events including the ever popular Santa's Visit on Christmas Eve.
